RAILWAY ACCIDENT.

Two Construction Trains Colide on the Oahu Railway-No One Seriously

An accident occurred yesterday on the Oahu Railway Company's line, which, fortunately, was not attended with any serious results. The instructions given to those in charge of both passenger and construction trains were to use every precaution. Particularly were those in charge of the construction trains instructed as to the rounding of curves. Some distance before arriving at a curve it is the custom for a brakesman to get off the train, run ahead and signal with a flag. The scene of the accident yesterday was the deep cut called Cape Horn, near Halawa. Two construction trains were on the line. One had gone after water, and those in charge of the other one, feeling sure that some time would elapse before it got back, concluded to move on. The water train, as it may be called, got through quicker than was expected, moved on, and those in charge failing to show the flag, the consequence was a collision occurred. One man put on the brakes and then jumped off. He was taken to the hospital, but is not supposed to be seriously hurt. Superintendent Ashley was on one of the trains on business, and seeing what was going to

The programme published by us in Wednesday's issue, is composed of songs, stump speeches, recitations, banjo solos, and a farce. There will be a boxing match, and single stick bout, also naval sword exercise. It is a varied programme and one that should please. The box plan for the sale of reserved seats is now open at L. J. Baseball Matters.

There is every probability of four clubs being in the Hawaii Baseball League this season. The Hawaiis have a meeting this afternoon at 2 o'clock at the office of the Hon. A. Rosa, Kaahumanu street. The Kamehamehas have been practising for some time, and the Honolulu and Star teams are now at work. What with the wet weather and the cold they have been hindered considerable in their practice. The Hawaiis as yet have not done any practising. It is doubtful if the sea-son opens April 1st as intended, how-ever, this matter will have to be decided by the League when it meets.
